“Dermatology in the College Health Setting”

Target Audience: Physicians, physician assistants, nurse practitioners, nurses and psychotherapists.

Overall Goal: The goal of this activity is to enable the learner to become current in dermatologic conditions seen in college health setting.

Learning Objectives for Program:

1. Recognize skin conditions commonly seen in the college health setting.
2. Identify treatment options for skin conditions.
3. Relate preventative measures for skin cancer.

Professional Contact Hours

Participants must be on time and present for entire session. Partial credits will not be issued to participants arriving late or leaving early. Participants must sign in and sign out; submit a completed evaluation form at the end of the program, and submit a contact hour request.

Nurses: Rutgers University Behavioral Health Care is an approved provider of continuing nursing education by New Jersey State Nurses Association, an accredited approver by the American Nurses Credentialing Center On Accreditation. P# 204-7/012-15. Accredited status does not imply endorsement by Rutgers University Behavioral Health Care (UBHC), NJSNA or ANCC of any commercial products or services. (2) contact hours.

Speakers and planning committee have nothing to declare. There is no commercial support for this activity.

Please contact Ann Mahan at 201-692-2437 or amahan@fdu.edu to discuss possible accommodations for ADA disabilities.
