### **Activity Overview and Description**

- Review on how to best utilize the SCAT6 for concussion evaluation and management
- Providing insight on how best to evaluate injuries to the Ankle or knee
- Providing insight to appropriate treatment, follow-up and documentation for ankle and knee injuries

### **Target Audience**

This educational activity will be of interest to Physicians, Registered Nurses and Advanced Practice Nurses

### **Learning Objectives**

Upon completion of this activity, participants should be better able to:

- Develop a better understanding on how to utilize the SCAT6 for concussion evaluation and management
- Become more knowledgeable on how to evaluate, manage and document for ankle and knee injuries

### **Accreditation**

#### **Nurse Jersey State Nurses Association Accreditation Statement**

NJHA-HRET is an approved provider of continuing nursing education by the New Jersey State Nurses Association, an accredited provider by the American Nurses Credentialing Center's Commission on Accreditation. Provisional Provider Number P131-3/2022.

This activity awards 2 AMA/Nursing contact hours.

The planning committee, presenters, facility, authors, and content reviewers have no conflicts of interests to disclose. Disclosure forms are required and reviewed for any issues. Speakers are required to present balanced and unbiased presentations. The presentation content has been reviewed and any bias has been eliminated.

Accreditation status does not imply endorsement by NJHA-HRET, NJSNA, or ANCC Commission on Accreditation of any commercial products displayed with this program.

### **Medical Society of New Jersey Accreditation**

NJHA-HRET is accredited by the Medical Society of New Jersey to provide continuing education for physicians. NJHRET designates live web-based activity for a maximum of 2 AMA PRA Category 2 Credit TM. Physicians should claim only the credits commensurate with the extent of their participation in the activity.

### **Method of Participation**

In order to meet the learning objectives and receive continuing education credits, participants are expected to sign on at the beginning of the program and complete a survey at the completion of the program.
